

# Port Ludlow Amateur Radio Club - N7PL

PO Box 65227 Port Ludlow, Washington 98365

November 1, 2006

Dear Member

As another year draws to an end for the Port Ludlow Amateur Radio Club, it is time to remind you about two upcoming events. First, your 2007 dues are now due. The dues are for the period of October through September of each year. Individual and Family dues are \$25.00 per year with Associate Membership \$10.00 per year.

The Second item is the Annual Banquet Dinner. This year the dinner will be held on November 11, 2006 at the Beach Club in Port Ludlow. This year Mark WR7V and company will be preparing a dinner of either prime rib or salmon. The dinner will be served much like our picnics on only the finest paper china and plastic silverware. The Club will be providing wine and beer as usual. If you want something special to drink by all means bring your own.

The Beach Club will be open at 6:00 with dinner activities starting around 6:45PM.

For your convenience please fill out the form below and mail it with the included envelope ASAP. Remember we must receive your Banquet interest by November 3rd so that we may coordinate any adjustments necessary to have a great dinner!

PLARC Secretary/Treasurer

Nancy McKibbin
